**Private Care NZ**  
making every day easier

The support your loved one needs for the  
life they want.

**Do your loved ones have what they need to live a full, independent life in the comfort of their own home? We'd like to help you make sure that they do.**

From our caregivers to our office consultants, the Private Care NZ team is focused on understanding what's most important to each of the people we support. We know that no two people have the same needs, so all of our support and services can be tailored to suit each individual.

Curious about how our team could support a vibrant, independent lifestyle for your loved one? Drop us a line: we want to know what would make a real difference for you and those you care about.

## Our Caregivers

Our competent, compassionate carers are at the heart of everything we do. These exceptional individuals were chosen for their kindness, professionalism, patience, sense of humour and wholehearted commitment to the people we support.

From life essentials like cooking, cleaning and companionship, right through to complex care, our team of caregivers have the expertise and skillset to help the people we support live life their way.

That's the vision shared by everyone at Private Care NZ, both carers and coordinators: enabling all the people we support to live full and independent lives.
